# Rechargeable Battery Recycling Contest

## Contest Rules

### For Office Green Teams

- ⇒ Make sure your office has a registered Green Team at: [kansasgreenteams.org](http://kansasgreenteams.org).
- ⇒ Visit the Call2Recycle® web page at [www.call2recycle.org/KSChallenge](http://www.call2recycle.org/KSChallenge) and sign up your Green Team to participate. Be sure to complete all the information requested.
- ⇒ When you receive your boxes, be sure to follow the specific instructions for collection and shipping. Remember, only one battery or cell phone per baggie.
- ⇒ Green Team participants will receive commemorative T-shirts while supplies last.
- ⇒ 1st, 2nd and 3rd place winners will be determined on a per capita basis.

- ⇒ This contest will conclude on America Recycles Day, November 15, 2010.
- ⇒ Schools will compete against each other and Offices will compete against each other.
- ⇒ Call2Recycle® is the official score keeper for this contest and will provide KDHE with periodic updates.
- ⇒ For questions regarding box requests, collection instructions or shipping information, contact Call2Recycle® at [www.call2recycle.org/KSChallenge](http://www.call2recycle.org/KSChallenge)
- ⇒ Prizes for 1st, 2nd and 3rd place winners may differ between winning schools and offices.

Call2Recycle® is a program of the Rechargeable Battery Recycling Corporation (RBRC) promoting environmental sustainability by providing free battery and cell phone recycling in North America. The Long Haul rules consist of many conditions, and your participation is contingent on how these rules fit in with your organization. (Some examples: defining team leaders, grades in schools, collection days, any legal issues or operation rules that pertain to your organization). Once your team is registered for the Long Haul contest, you will be placed on the official roster with Call2Recycle.

### For Green School Members

- ⇒ There are two steps to registering your school. **First**, visit the Green School web-page at: [kansasgreenschools.org](http://kansasgreenschools.org) and follow the link to the contest page. Download the document at the bottom of that page and e mail it to [mruhlman@kdheks.gov](mailto:mruhlman@kdheks.gov). **Second**, visit the Call2Recycle® web page at [www.call2recycle.org/KSChallenge](http://www.call2recycle.org/KSChallenge) and sign up your school to participate. Be sure to complete all the information requested.
- ⇒ When you receive your boxes, be sure to follow the specific instructions for collection and shipping. Remember, only one battery or cell phone per baggie.
- ⇒ Green School participants will receive a copy of "Teaching Green", a collection of lessons and projects designed to develop critical thinking. To review the Table of Contents applicable to your grade level, please visit [www.greenteacher.com](http://www.greenteacher.com).
- ⇒ 1st, 2nd and 3rd place winners will be determined on a per capita basis.
